

Here is an alternative money saving plan. I'm going to leave the idea with you to share with the rest of the group at your discretion.

This isn't what I proposed 3 months ago. It's a quick fix (or a durable one if we decided to keep it).

If you want to give it a go I'll try to make it a little nicer looking over the next 7 days.

- Consider this a temporary fix to spending 650+ (1 year) or 1200+ (2 years for Wild Apricot)
- This is a simplified site created by AI with some instructions from me.
- I don't know if we have control of stanislaushumanists.org yet, but we can get a temporary one for a few bucks (see below).
- Cost
 - There is no hosting cost / fees.
 - There is a domain directory/registry cost of \$1, maybe less / month. I'll cover for 6 months as it will be done under my account.
- You add/change/edit events and board members by typing in a file – easy.
- The code is public, not mine, but is currently in my account.
- The domain directory/registry and code can be transferred from me to someone else at any time.

The site is already up with a temporary and free URL. View it at: <https://klequis.github.io/sh-brief/#/>

I'm 'klequis'. All the code is available to everyone at: <https://github.com/klequis/sh-brief>

If we don't yet have control of stanislaushumanists.org yet we can get a temporary domain name, or switch permanently.

Here is what is available today. "stanislaus-humanists.org" for 8.48 / year.
